General Statement of Professional Experience (written by firm)

John Michalowski Jr. – Architect is a full service architectural firm with a diverse background. Our Presque Isle, Maine office opened in the fall of 1996 and currently has a staff of four. Our work in Maine currently spans from Fort Kent to Danforth. Each project that John Michalowski Jr. – Architect undertakes is given the attention and staffing necessary to design and complete it in an economical and creative way. We work with our clients to establish a program of needs, wants and desires and then through careful planning, design and ingenuity we work to meet them. By maintaining a workload that allows John Michalowski Jr. to be involved with the client in every phase of the project, the client benefits from his unique experience and is aware of and part of the decision making process. Therefore the built project is not our dream but a true interpretation of the client's.
